

**Central Government
of Hokoria**

21st December 2023

Dear Head of State,

I'd like to thank you for your authorisation in amending our original national identity plan so that the State of Hokoria shall adopt an amended version of the Flag of the State of Hokoria (December 2023). We've considered feedback from the Hokorian and wider micronational community and have, after discussion with the flag's creator, proposed that we adopt a slightly different flag design.

Instead of using the Willow Cizdeizd version of the flag, I proposed that we use the Andrew Snye version instead. The new design replaces the canton with a 'main bar design' with a bar on the left side of the flag. There has also been a redesign of the symbols that are intended to resemble stars, with one star in the centre of the bar and six smaller stars positioned symmetrically to surround it.

I'd also like to confirm that discussions have been made with the flag's creator, Andrew Snye, who has confirmed that he will not hold any licences or copyright on the flag, and in return we have agreed that the State of Hokoria will provide accreditation where appropriate. The original Willow Cizdeizd version of the flag, which the Andrew Snye version is based upon, was officially in the public domain.
