

JOINT COMMUNIQUE

OF THE GOVERNMENT OF THE STATE OF HOKORIA AND THE GOVERNMENT OF THE KORYOAN REALM CONCERNING THE ESTABLISHMENT OF DIPLOMATIC RELATIONS BETWEEN THE STATE OF HOKORIA AND THE KORYOAN REALM

The Central Government of the State of Hokoria and His Majesty's Government of the Koryoan Realm, in conformity with the common desire and interests of the two peoples, have decided upon mutual recognition and the establishment of diplomatic relations as from 3 January 2023.

The State of Hokoria and the Koryoan Realm affirm that:

The establishment of diplomatic relations between the State and the Realm is not only in the interests of the Hokorian and Koryoan peoples but also contributes to peace and progress in the world.

The State and the Realm shall conduct their relations on the principles of respect for international human rights law; sovereignty and territorial integrity; and equality and mutual assistance between micronations.

The State and the Realm are both committed to the reduction of the danger of intermicronational military conflict. Intermicronational disputes, including but not limited to those that may arise between the State and the Realm, shall be settled in a peaceful manner, never resorting to the use or threat of force.

The State and the Realm shall not seek hegemony in any part of the world, and each shall be opposed to efforts by any other micronation or group of micronations to establish such hegemony.

The two Governments have agreed to provide each other with all the necessary assistance for the performance of the functions of diplomatic missions in their respective capitals in accordance with international law and practice.
